The Bank is excited to offer Structured Warrants that will enable investors to gain exposure to underlying shares for a fraction of its price and the opportunity to benefit from both bull and bear markets.

President & Group Chief Executive Officer of Affin Bank Berhad, YBhg. Datuk Wan Razly Abdullah said, “The introduction of the first four series of structured warrants is a significant addition to the Bank’s existing suite of investment products, offering investors an alternative to their existing investment strategies. It is part of our ongoing efforts to innovate our product offering to meet the demands of the Structured Warrants market.”

In 2022, the monthly traded Structured Warrants volume in Malaysia surpassed 5 billion units, peaking at 9.67 billion units in March 2022. In addition, Structured Warrants recorded a monthly average traded value of RM1.15 billion, with a high of RM1.84 billion in June 2022.
